

How can I purchase a new vREST subscription?

To purchase vREST subscription, please follow the steps below:

1. First register an account on vREST.
2. [Optional] Then create an instance in vREST.
Note: If the instance is already created by somebody else then simply skip this step and send an email to support@vrest.io regarding linking the instance with current subscription.
3. Purchase vREST subscription
 - a. Simply go to [Pricing page](#) and click on button "Buy Subscription or Generate Quote".
 - b. System will ask the following details as shown in the snapshot below:
 - i. Instance Name if already created.
 - ii. Subscription plan
 - iii. Billing information
 - iv. Recurring (Monthly or Annually)
